**The Staircase of Intimacy**

No one is forced to stay together these days, so as a man you must know how to maintain, grow, and deepen the relationship over time. You must know how to grow the respect, attraction, and love between the two of you.

## TOOL

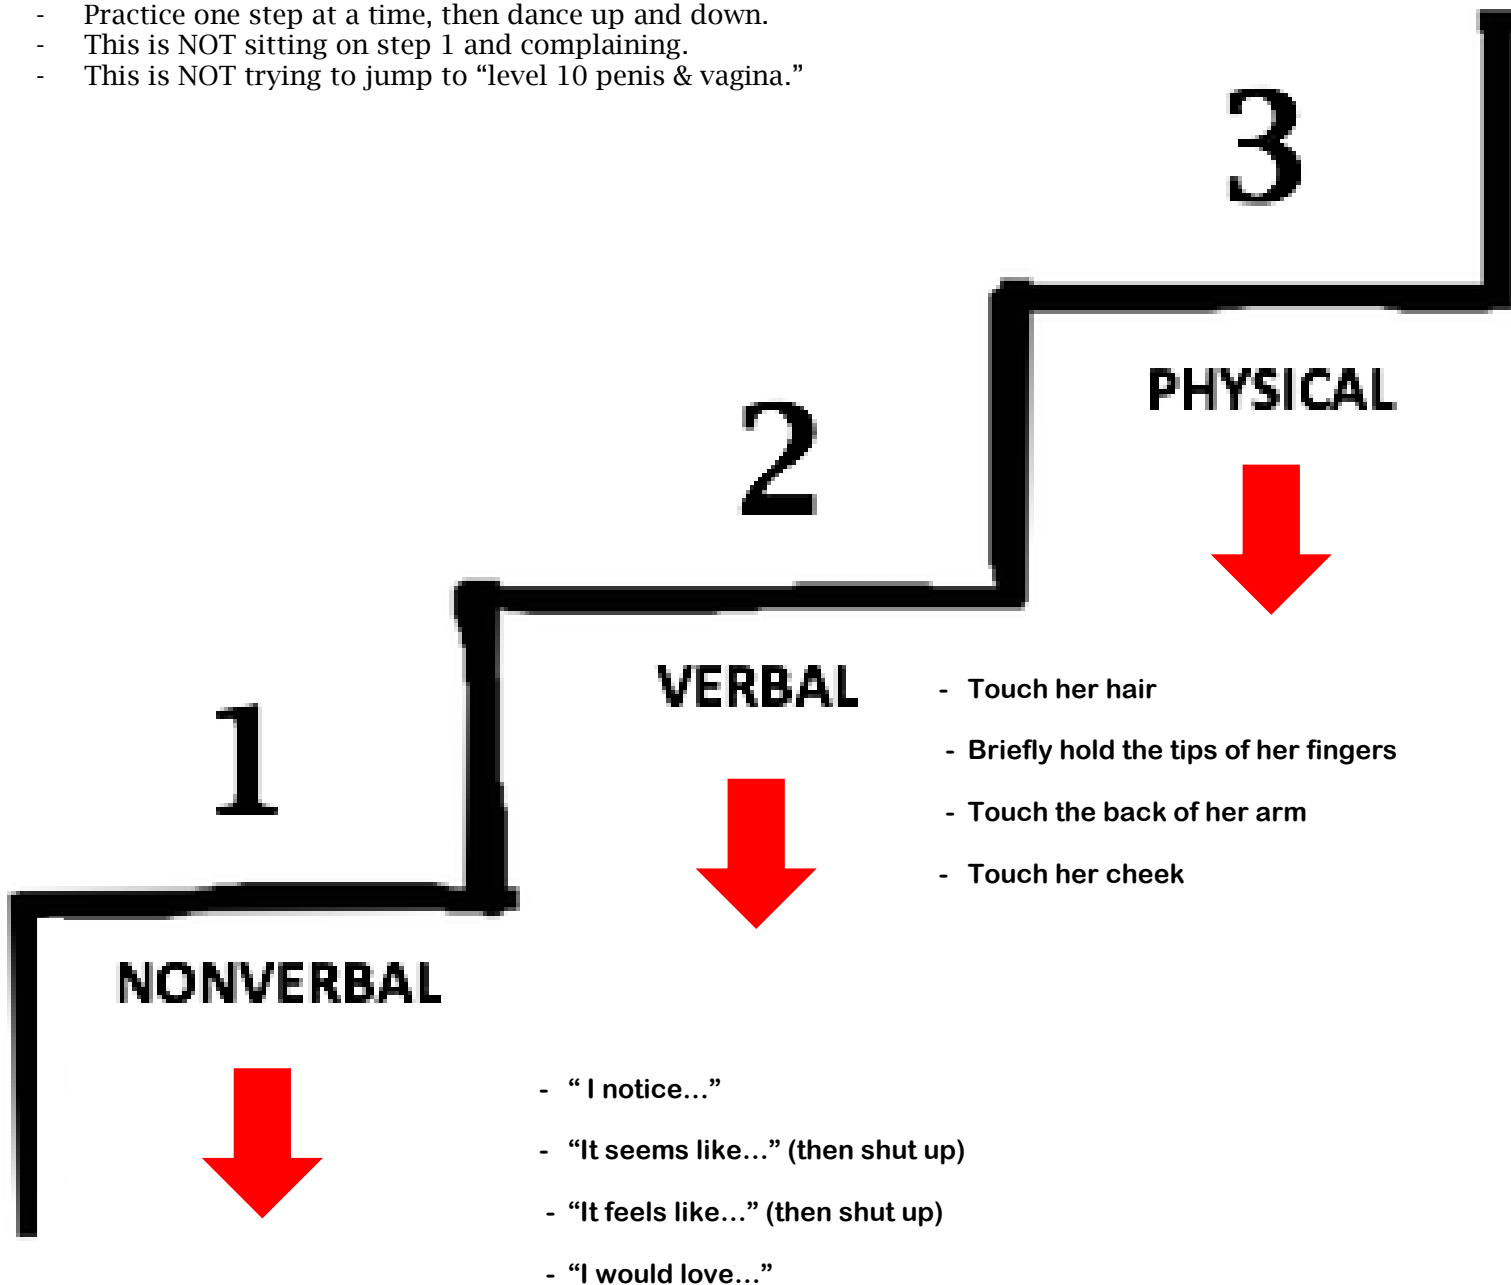

### The Staircase of Intimacy

# THE STAIRCASE OF INTIMACY

- Practice one step at a time, then dance up and down.
- This is NOT sitting on step 1 and complaining.
- This is NOT trying to jump to “level 10 penis & vagina.”

- Look at with her with high regard
- Hold a vision in your head of a favorite memory
- Think of this positive experience for 5-10 seconds

# 20X EXPERIMENT TRACKER

- Write it down.
- Do it 20 times.
- Be a scientist.

**\*RESULTS\* PROMPTS:**

As a scientist, I observed today...

One important thing I noticed about her today was...

I am curious to know more about...

One positive that came from this interaction was...

I was surprised to find out...

You must know how to uphold your boundaries, live by your values and ask for what you want in a grounded masculine way. To even step up to the plate, to even be in the game, you must respect and stand up for yourself in a healthy way. This is Step 0-the ground floor-the cost of entry.

## TOOL

(Don't Be a Tool) Tool

**WHEN SOMETHING HARD  
HAPPENS**

**YOU HAVE 3 CHOICES:**

*Let it define you.*

*Let it destroy you.*

*Let it strengthen you.*

# (DON'T BE A TOOL) TOOL

---

- Follow steps 1-5.
- Do NOT skip #1.
- Practice this 20X.

## 1. Warm-up/Preface:

- *Say, I'd like to talk about something that's important to me...*

## 2. Call out the Elephant:

- *I'll bet you think that a part of me is [angry/frustrated/upset], and you're right; a part of me is...*

## 3. My Fear/Vulnerability:

- *And a part of me is [scared/embarrassed/disappointed], because \_\_\_\_\_;*

## 4. Positive Vision:

- *What I would like for us is \_\_[share your positive vision for your relationship]\_\_;*

## 5. "So please help me understand"....

(choose **only 1 Question** to start):

- *How can we move forward from here? (now shut up)*
- *What do you want me to know about that? (now shut up)*
- *What were you wanting in that moment? (now shut up)*
- *What else would you like me to know about that? (now shut up)*

\*\*\*\*This last one is great to add at the end to make sure she feels heard and you've explored the situation and understood everything.

Does she play a part? YES.  
Is she responsible for own self ? YES.  
Is she an adult that has her own agency?  
...Well that's the kind of woman you want to be with.

As, a man, it's your job to energetically lead in the relationship. Is this a double-standard?

YES. Is it reality. You bet.

**TOOL**

**Sensual Words**

# SENSUAL WORDS

- Trust yourself to talk about your feeling states.
- If she doesn't respond well it doesn't mean you've done anything wrong.
- This is a way to call forth the type of relationship you want.

## **Starter words**

- Adventure
- Closeness
- Mystery
- Excitement
- Goosebumps
- Wind on my face

## **Noticing the Outside**

- Beautiful
- Powerful
- Captivating
- Delicate
- Admirable
- Gorgeous

## **Character Words**

- Generous
- Loving
- Adventurous
- Intelligent
- Creative
- Graceful

A woman cannot be attracted to a man she doesn't respect. She can't love you if she doesn't respect you. If you don't respect yourself and the health of your relationship, WHY should she?

### Emotional Level & Physical Level on the Staircase

SOMETIMES YOU HAVE  
TO FORGET WHAT

YOU THINK YOU WANT

TO REMEMBER  
WHAT YOU

*Truly Deserve.*

## EMOTIONAL LEVEL & PHYSICAL LEVEL -STAIRCASE OF INTIMACY-

- Don't wish for *her to be EASY*, wish for *you to be EFFECTIVE* in relationship.
- You can NOT expect physical escalation beyond the level of HER perceived emotional connection.

PHYSICAL LEVEL OF INTIMACY

EMOTIONAL LEVEL OF INTIMACY
